

The Rising Star

St. Benedict the Moor Catholic School– Dayton, Ohio

Winners at the Creative Spirit Arts Festival

April 2017

Volume 2 Issue 8

Under the talented direction of Mrs. Delores Buchanan the St. Benedict the Moor Catholic School art students won a recognition award for their displays at the Creative Spirit Arts Festival for Miami Valley Catholic Schools. This event was held at *TEJAS* Gallery in downtown Dayton. Throughout the exhibit art displays were featured, but the students' whale and swan displays captivated the crowd. There also was a show cast of musical performances. If you would like to see the displays visit *TEJAS*, which is located at 341 S. Jefferson St. The exhibits will last until April 30, 2017.

Congratulations art classes for a job well done!

Healthy Snacks

Serving healthy snacks to children is important to providing good nutrition and supporting lifelong healthy eating habits. Healthy snacks also boost energy and help children focus, while sugary treats and other junk food can lead to a quick crash and overeating at the next meal. Healthy snack choices that may be brought in from home are: single serving yogurt, pudding, bagel with cream cheese, baby carrots with dip, animal crackers, baked chips, string cheese, fresh fruit, cut up veggies, lady bugs on a log (celery with laughing cow cheese and dried cranberries on top).
