

Teachers Received Covid-19 Vaccination

On February 4, 2021 the majority of the staff took the first dosage of Pfizer-BioNTech COVID-19 Vaccine. The second dose is scheduled for February 25; therefore, the student schedule will again be readjusted to have in-school/remote learning on Wednesday (February 24) and remote learning with attendance at 8:00AM on Thursday (February 25).

Although there is no definite Federal Drug Administration proof that the Covid-19 vaccinations will prevent COVID-19 virus the staff members felt the obligation to take it. They care about themselves, and they especially care about the children in order to provide education to him or to her. May the continuation of prayer to end this pandemic remain in our hearts.

This current school year certainly has been a challenge with the sudden usage of online learning. Miraculously, St. Benedict the Moor Catholic School has accomplished ways to provide education. Technology has been difficult to some and easy to others; however, we're all aiming high in order to achieve success. With the government requesting all schools to be in-school in the coming school year there is no doubt that the enrollment will increase because St. Benedict has been in compliance with Covid-19 guidelines. Keep in mind that due to the multiple damages(breaking computers, losing computers, breaking cords, etc.) with the loaning of student computers this year there may be a technology fee established for the future school years. The administration (Fr. Francis, office staff, principal) will make the decision.

Ash Wednesday

First of all, Ash Wednesday is not an obligated Catholic holiday, like Christmas or Easter. Ash Wednesday is the beginning of Lent and a day of fasting. The distribution of ashes symbolizes death and the asking of past forgiveness of sins or faults. This school year Ash Wednesday is on February 17 and the school will not participate with this ceremony because of Covid-19 guidelines. The school will be doing virtual learning on Wednesday.

There will be a service of Ash Wednesday at St. Benedict the Moor Catholic Church at 519 Liscum Drive at 6:30 pm. This year ashes will be sprinkled onto the head instead of the forehead because of pandemic safety concerns. In the book of **Genesis 3:19** **"By the sweat of your face shall you get bread to eat, Until you return to the ground, from which you were taken; For you are dirt, and to dirt you shall return."**
