Moving on Up!

Usually the last weeks of school are the most active weeks of a school year. Activities may include the following events: field trips, fun day, award ceremonies, graduations, retreats, and student promotions. After completing state and district tests there deserves to be a sigh of relief from teachers and students during the last days.

***Mrs. Laura Lewis, grade 8** homeroom teacher, advisor, tutor, and Language Arts instructor for grades 6 -8 has diligently taught students to value education and to motivate grade 8 by preparing them to 'move on up.' " There is no doubt that challenges create frustrations among students and teachers, but it takes a good attitude for anyone to succeed. Hopefully and prayfully students will 'WAKE-UP' and be ready to 'MOVE on UP'.
